# 愛こそすべて

Roses are the symbol of Love,

And Love is everything.

木下けい子
Keiko KINOSHITA

Hello again Your name is Ritsu?
A white rose means respect
He's affectionate and refined. Ah! Maybe like a white rose?
Mr. Katagiri reminds me of a rose.
Uhh really?

I don't remember saying that.
Did I?
You definitely did
"Ritsu, you told me Mr. Katagiri was an old man who smelled like feet
I don't mean to interrupt
Please continue reading to find out what happens.
Then what is this?!
Huh?!

愛こそすべて
Without water and light, a flower will wither and die.
Humans are probably the same.
Excuse me.
If there's no love...
They'll die.

# 愛こそすべて

I w-would like to b-buy some f-flowers!
I... need a bouquet... for a gift
Of course, what kind would you like?
Uhh... what kind?
I'll leave that up to you

Ah, maybe it needs to be extravagant! Like what you would give to a celebrity
A big bouquet of roses?
What's your budget?
Maybe red or pink?
Is this for a girl?
Do you have any flowers or colors in mind?
About 5... 5,000 yen?
glare
TN 5,000 Yen is approximately +3 30 USD
What?! Flowers are that expensive?
Um...
If you only want roses...
Then the bouquet would be about this big

That will work..
Do I even have 50,000 yen worth of roses..?
Then I will make a full rose bouquet.
firm
Then I'll increase the budget to 50,000 yen
TN 50,000 Yen is approximately 430.80 USD
I'm finished I hope you didn't wait too long.

You helped me out a lot today Have a good day
Thank you
Thank you
Oh-He's holding t so carefully
I wonder if he's giving it to a girl?
Red roses don't seem to fit him

He'll be okay if he shows her that gentle expression.
Maybe...
I'll go see a movie?
I hope his date goes well.

Will I... find someone who makes me feel like that?

"Huh?

Huh...
Huh?
Uhh...

You spent so much time making this beautiful bouquet,
Ah... you're the guy from the flower shop
He's...
But my date didn't go well. I'm sorry...
She should have told me she already had a fiancé.
I noticed...

It was my mistake for getting excited
I showed her my unattractive side
I'm lying It was my fault
Yeah... a bit
Isn't that ridiculous?!
Ugh... I want to die.
Don't die just because you were rejected...

Cheer up.
There's always next time
^ ^
Hey, are you okay...?
hahahaha
stumble
Next time?!
This isn't a joke!
stagger
You make it sound so easy
slap
Be careful
A young and cool looking guy like you wouldn't understand.
My sense of style is horrible, my face is average at best, I play shogi, and my feet stink.
The only thing I'm good for is working

TN: Shogi is a two-player strategy board game. Also known as Japanese chess.

ドサッ!!
sit down
This was my last chance.
I'm 37... and once I'm 40... I...
ゴロン
lie down
ZZZ
……

Hey you're going to c
atch a cold if you sleep here
shake
Hello? Mister?
zzzzz
.....
.....

...What should I do...?
pain
ガンガンガンガン
pain
I have seen the light.
...Please forgive me...
I'll never do it again...
God of Alcohol, I have wronged you!
Meow
Meow
Meow
Ah, you're awake now.
Uhmm... I have to go to work.
But you can keep sleeping here if you want.

Do you remember what happened?
Ouch
My glasses, my glasses.
grab
sit up
...Uhh...
Yesterday...
I was about to leave you out there,
But I got worried

Are you okay?
pain-pain
Ow.
shock
Ah!
I don't know what to say...
I-I was very rude to you yesterday...and you still helped me.
You don't have to say anything
I brought you over on my own accord

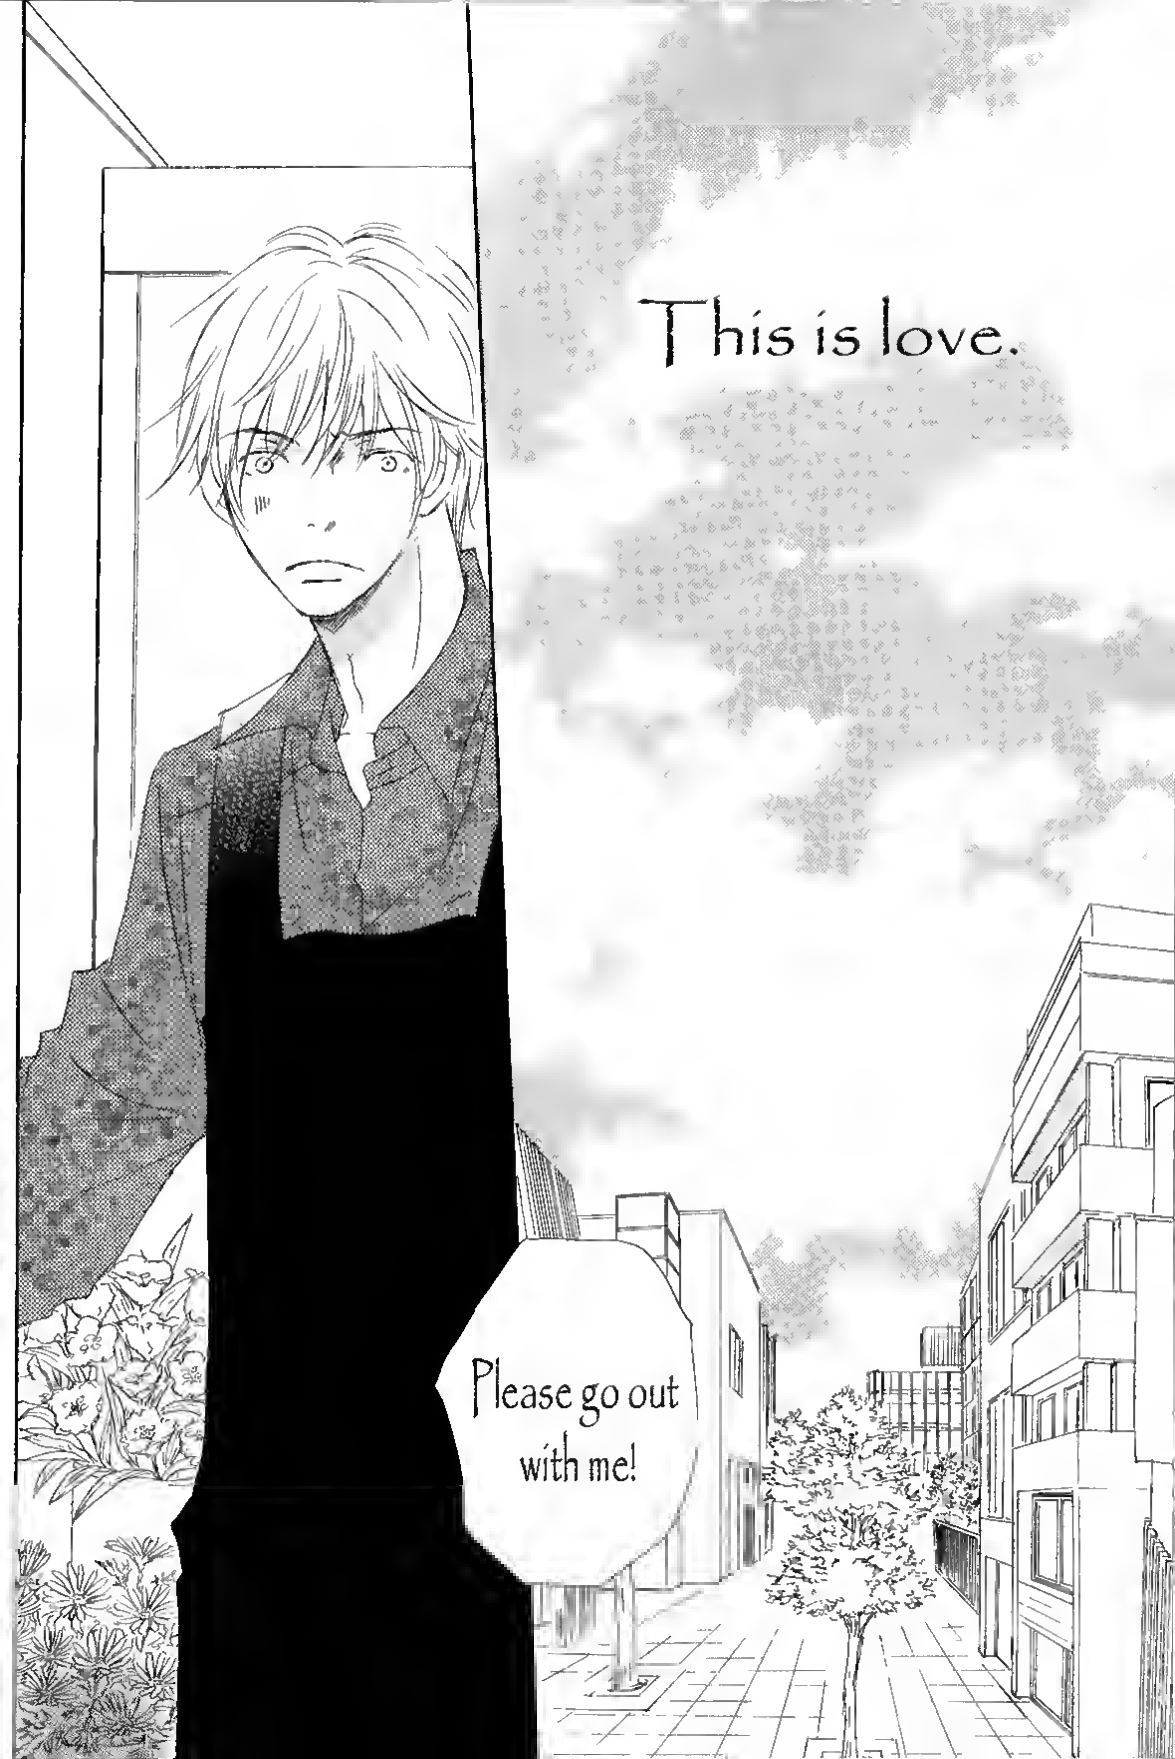
You're not ugly,
Or foolish.
You should be more confident in yourself
When you bought those roses,
I was a little envious.
You look cool when you're doing your best.

You know?
Not really.
Relationships don't get well with me. I always get rejected.
Hearing someone like you say that makes my heart race. You... must be popular.
And... I like guys.

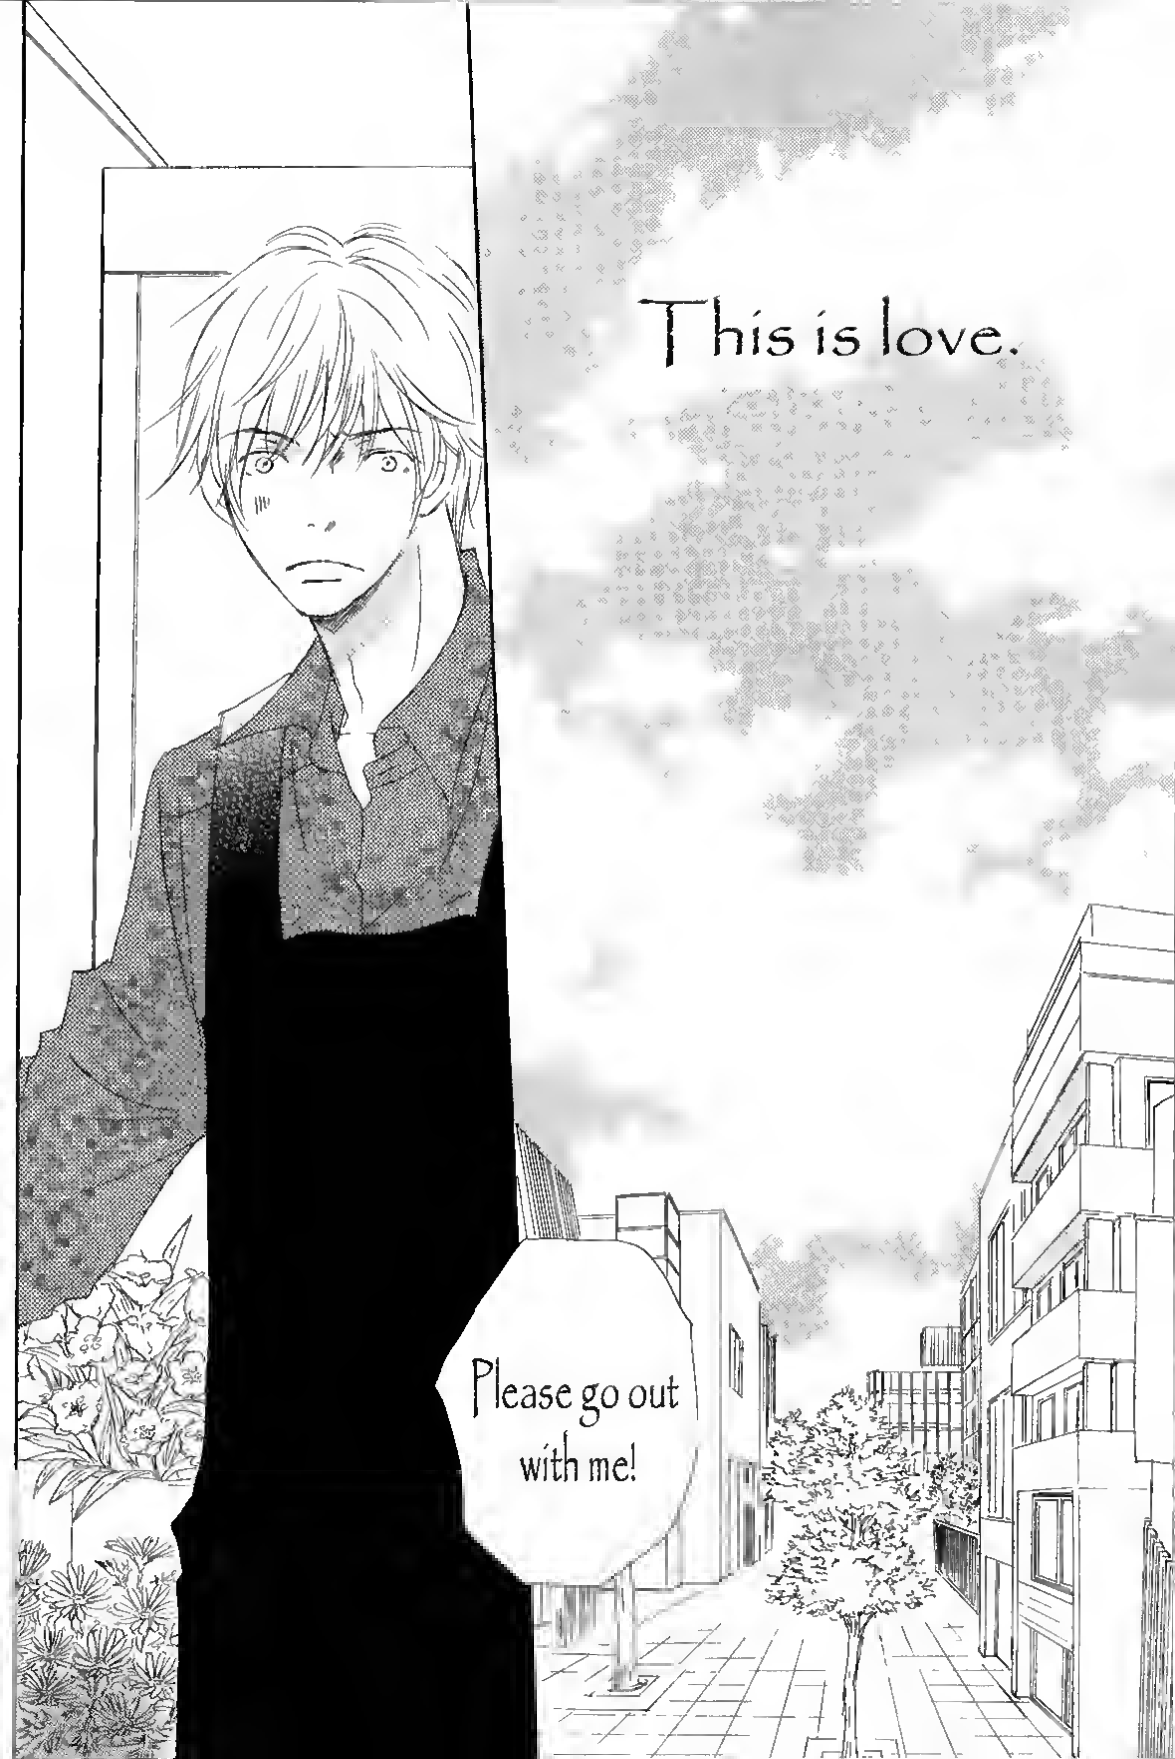
Oh no, I'm going to be late.
When you leave, put the key in the post box.
I don't have anything worth stealing. So don't worry
I want someone to give me a bouquet.
See you later
bang
ばたん
Hey, wait-

Ugh...
my head hurts.
.....
Pain
ズキッ
I don't even know
your name.
Argh
just thinking about it.
It hurts.
grab
Wait a minute,
I was rejected last night
This isn't good.
The flowers...

Or as they say...
I thought love was over for me
But this Sweet andt hot Feeling ...It's so mysterious
My heart is racing.
It feels like my world has turned upside down.
No way



This is love.
Please go out with me!



This is love.
Please go out with me!

Huh?
Ah, this is the random guy you picked up last night. The old fashioned one with smelly feet
Who is pretty good looking?
Nao, shh!
This might seem sudden, but to put it simply...
I've come to like you.

That's great! ~
whistle
Do you hear what you're saying?!
I like you
I barely even know you
Ah... you're right

I hope you learn more about me.
Ah, thank you
Here's my card
I'd enjoy it if you also came to like me.
And,
I'll be back.

He looked Italian...
Who is he?
President?!
He's a president
Jori Katagiri, President of Katagiri Optical Instruments

Ritsu, you're going to be rich.
Don't joke about that, seriously.
Japanese companies are amazing.
I've never heard of him
Ah, I know this company. They manufacture electronic components used in space shuttles.
And he'll soon realize that he can't love men...
I can't trust a guy who confessed to me just because I was little nice to him

Hey, you're a good guy, just a bit unlucky. Trust me, I'm your cousin
If I was gay, I might have fallen for you
.....
That's hypocritical of you.
Whenever I get unlucky, I always end up hurt
Always
You were trying to help
No, I'm sorry
No,
I'm sorry, I didn't mean to

Stop doing this!
Maybe next time will be better

You said before that you wished to receive flowers.
I was just saying that. An adult would have known that.
Why are you sending flowers to a flower shop?! Are you bullying me?!
And I don't like stuffed animals or cake
Is that so? I'm sorry
Then what would you like?
I want you to stop!

You come here every morning, afternoon, and night. What are you? A stalker?
I just want to see you all the time every day.
I didn't consider your feelings
What you call a stalker?
Isn't that
blows breath
I'm sorry I'll stop then
Would you like to play some shogi with me?
Well then Holiday is coming up
Let's play a match
玉
...No.
I'm not an old man
depressed
Maybe next time. I'll be back in three days.

This situation is so one-sided
And what's with this panda? He shouldn't be buying things like this
I'm exhausted...
But that's the kind of person who would build his own company
He's persistent
You also like flowers and cake
heh
ふふ
But you still sleep with that stuffed animal you got in kindergarten
So he wasn't actually being inconsiderate

I'm off that day
Okay
Remember, you're working alone tomorrow
I see you
Urk! I'm sorry

I don't want to trouble you or anything
I wasn't waiting for you.
I just wanted to make sure you were okay
I'm fine
step
step
スタスタ
Really? That's a relief
pause
Hey, what do you like about me?
What do you mean? I like everything about you

I thought you were an angel.
Please stop This is embarrassing
You were kind, beautiful, and had a glowing aura
You saved me from hell
I met you on the worst day of my life
That sounds suspic ous
Everything?
What kind of answer is that?
You're probably going to reject me...
But you really are a wonderful guy. I like you so much
When I got back home, I realised that I like you

I just wanted to show you how I truly felt.
I'm sorry for going about this so clumsily

No, if he could love me like this.
If he could love me with those eyes...
If you're okay with starting as friends...
Please take care

Wouldn't that be nice?

sob sob sob

Hey, don't cry!

I'm so happy~

END

Seeking Typesetters
No experience is necessary.
We will give you all the training you'll need.
we promise....
Beginners are welcome!
I am also looking for Black and white manga cleaner
We don't clean sfx. You are welcom to clean sfx
if you want, but it is not necessary
Please apply if you have enough time to do some editing work.
We have Shoujo and Shounen and Yaoi manhwa.
You could join the forum on our webpage
or please send an email to us on this page.
